She was standin' there with her big, blue, question  
mark eyes

Sayin, "Would you stay the night?"

And me, I was just seventeen, my very first time

But I knew it was right

She pulled off my baseball hat

We kissed and I knew there was no looking back

By the end of May, I could feel the change

She pulled me close to say

I want a summer of misbehavin'

Out all night, no reservations

Hittin' that river, strippin' down till the sun comes up

Oh, I want, oh, I want, oh, I want a summer of love

June flew by before we knew it was the fourth of July

So we headed to the Tennessee line

Bought a hundred bottle rockets, shot 'em up in the sky

And they lit up the night

Like risin' stars that burn to dust

And I said, baby, that's just like us

Someone set us up, lit the fuse

Two young lovers with nothing to lose

But a summer of misbehavin'

Out all night, no reservations

Hittin' that river, strippin' down till the sun comes up

Oh, I want, oh, I want, oh, I want a summer of love

No matter what happens, we'll have today

And I'll always, pretty baby, wanna feel this way

I want a summer of misbehavin'

Out all night, no reservations

Hittin' that river, strippin' down till the sun comes up

Oh, I want, oh, I want, oh, I want a summer of love

Oh, a summer of love

I want a summer of love

(Out all night, hittin' that river, strippin' down 'til the sun comes up)

Oh, a summer of love

(Like risin' stars, poppin' and burnin' to dust, yeah, that was us)

Summer of love

(Out all night, hittin' that river, strippin' down 'til the sun comes up)

Summer of love

(Like risin' stars, poppin' and burnin' to dust, yeah, that was us)

Summer of love

Out all night, hittin' that river, strippin' down 'til the sun comes up

Summer of love
