Brother to brother  
Man to man  
Nation to nation  
We enter the age of...Crime

I see the shadows of the rising sun  
I stand aside as the deed is done  
And I have wandered through the darkest nights  
To see the coming of the Israelites

And I have walked across the waters  
To hear the voices of the battle song  
And I have coveted the daughters  
Of the women of Babylon

And I have seen them fall  
Without emotion  
And I have tasted wealth  
God knows it's a crime

I see religion cut a land in two  
I turned away as the violence grew  
I saw a man reach for the stars  
As hunger raged down in Africa

And I have walked across the waters  
To hear the voices of the battle song  
And I have coveted the daughters  
Of the women of Babylon  
And I have seen them fall  
Without emotion  
And I have tasted wealth  
God knows it's a crime  
It's a crime  
It's a crime  
It's a crime

I am the soldier of a hundred shores  
I bear the scars of a thousand wars  
I was the child who cried alone  
I am the seed that you have sown

And I have walked across the waters  
To hear the voices of the battle song  
And I have coveted the daughters  
Of the women of Babylon

And I have seen them fall  
Without emotion  
And I have heard the call  
Without devotion  
And I have tasted wealth  
God knows it's a crime

It's a crime  
It's a crime  
It's a crime  
It's a crime  
It's a crime  
It's a crime  
The Perfect Crime
