We're so bored with the same old scene
We're bored of people... know what I mean
So don't talk to us we got nothing to say
We're no good bastards anyway... We're all
Fucked up 'n wasted
We're so wasted 'oh so wasted
Fucked up... Fucked up 'n wasted
We're so wasted 'oh so wasted
Fucked up... Fucked up 'n wasted.. oh man!
I got no reason to get out of my bed
I ain't got the money to get out of my head
Your good for nothing... is what you say
We ain't no heroes anyway... We're all

We're so wasted 'oh so wasted
Fucked up... Fucked up 'n wasted
We're so wasted 'oh so wasted
Fucked up... Fucked up 'n wasted.. oh man!
People call us degenerates
Respectable... is a word we hate
We wanna be losers every day
We're going nowhere anyway... Cus we're
We're so wasted 'oh so wasted
Fucked up... Fucked up 'n wasted
We're so wasted 'oh so wasted
Fucked up... Fucked up 'n wasted.. oh man!
.. I don't give a fuck man...
