Yo Jacks man what you dreaming of?
Yo man about money girls cars
Y'know what I'm saying
Yo wait a minute man
You better think about the world

To the beat y'all
And you just don't stop
Hollywood will make your body rock
Twenty 4 Seven in full effects
So take notes and double check
It's a thriller sometimes killer
Slowing you down and making you chiller
Out without a doubt it's a dream
That I'm talking about

Oh oh oh oh are you dreaming
Keep on dreaming
I just wanna know are you dreaming
Keep on dreaming

Dreams can be very nice
Sometimes hot sometimes ice
Cold but still so real
Nightmares will make you feel like
Waking up and running away
Sometimes they make you stay just like
People are human being
Fantasies are dreams

Eye to eye from you to me
On the road to fantasy
Eye to eye from me to you
I hope you feel the same way too

Oh oh oh oh are you dreaming
Keep on dreaming
I just wanna know are you dreaming
Keep on dreaming keep on dreaming

Dreaming of that the world was right
Peace between black and white

Love for the animals
Prayer for all of us

Eye to eye from you to me
On the road to fantasy
Eye to eye from me to you
I hope you feel the same way too

Oh oh oh oh are you dreaming
Keep on dreaming
I just wanna know are you dreaming
Keep on dreaming
