When will we start livin'  
By da rule  
Of takin' & givin'  
When will we start 2 try  
2 open up & wonder why  
Can you hear them prayin'  
Listen 2 what they're sayin'  
This is an indian call  
So listen 2 it all

Why don't U leave me alone  
Oh le la la  
eh le la la la  
Oh le la la  
eh le la la la  
Oeh le la la  
eh le la la la  
Oeh le la la  
eh le la la la

What is black & what is white  
Tell me what's wrong & what's right  
Is there a way 2 say  
What's going on 2day  
Indians tryin' & cryin'  
Da chief of a redskin is dyin'  
Da message is very clear  
Listen while they're near

Why don't U leave me alone ...  
Force!  
If U dare go 4 yours  
Here is mine & I'm opening doors  
Have a break when U travel  
& take back your culture  
2 a hi level  
I's of a chinaman in my face  
Da blood of an indian  
Mixed in my race  
So come on  
gimme some  
Close your I's

& go where you're from  
I'm not white  
I'm not a blackskin  
& let me tell U this  
I'm not a redskin  
We R human beings & equal  
Da same flesh & blood  
Da same people  
So here we go with da flow  
Twenty 4 Seven is here  
2 let you know  
Pay respect 2 da indian home  
Leave them alone!!!

Why don't U leave me alone ...
