Baby if you just say you care
(I'd) follow you 'most anywhere
Roll away the stone
roll away the stone
And in the darkest night
I'd keep you safe and alright
Roll away the stone
roll away the stone

Won't you roll away the stone
Why be cold and so alone
Won't you roll away the stone don't you let it lie
There's a rock a billy party on
Saturday night are you gonna be there?
I got my invite
Gonna bring your records? Oh will do.

Baby won't you roll away the stone
why be cold and so alone
Won't you roll away the stone
don't you let it lie
Come on roll
come on roll
come on roll . . .

No matter if fools say we can't win
I know we'll learn to love again
Roll away the stone
roll away the stone
So sing we've still got a chance
baby o love and sweet romance
Roll away the stone
roll away the stone.

Won't you roll away the stone . . .
