So many plans, so many dreams
So many hopes in me
So many goals tending to schemes
What am I meant to be?

Lead me back into the simple treasure I once knew
I will rest here in the perfect worth of knowing You

I will delight my heart in You, O Lord
I will delight my heart in You
All of the joy You give is what I long for
I will delight my heart in You

All that I want, think that I need
Where is the pure desire?
If I look up into Your eyes
I could regain the fire

Oh, return me to the simple treasure I once knew
I will live here in the perfect worth of knowing You

I will delight my heart in You, O Lord
I will delight my heart in You
All of the peace You give is what I long for
I will delight my heart in You
Oh, I will delight my heart in You

How can I forget that nothing less can fill me
When the Morning Star has come to live inside
Live inside me

I will delight my heart in You, O Lord
I will delight my heart in You
All of the love You give is what I long for
I will delight my heart in You
Oh, I will delight my heart in You
