Sometimes my little heart can't understand
What's in Your will, what's in Your plan
So many times I'm tempted to ask You why

But I can never forget it for long
Lord, what You do could not be wrong
So I believe You even when I must cry

Do I trust You, Lord? Does the river flow?
Do I trust You, Lord? Does the north wind blow?
You can see my heart, You can read my mind
And You've got to know, I would rather die
Than to lose my faith in the One I love
Do I trust You, Lord? Do I trust You?

I know the answers, I've given them all
But suddenly now, I feel so small
Shaken down to the cavity in my soul

I know the doctrine and theology
But right now they don't mean much to me
This time there's only one thing I've got to know

Do I trust You, Lord? Does the robin sing?
Do I trust You, Lord? Does it rain in spring?
You can see my heart, You can read my mind
And You got to know I would rather die
Than to lose my faith in the One I love
Do I trust You, Lord? Do I trust You?

I will trust You, Lord, when I don't know why
I will trust You, Lord, till the day I die
I will trust You, Lord, when I'm blind with pain
You were God before and You'll never change

I will trust You, I will trust You

I will trust You, Lord
I will trust You, I will trust You
I will trust You, Lord

I will trust You, I will trust You
I will trust You, Lord
