Hold Me Close

I am weak on my own, blind all alone,

I know it's true

You lead me in Your way, give me this day,

I need you, My only shephard

(chorus)

Hold Me close, Hold me near

When you speak, I will hear

hear your voice , strong and true

hold me close to You

You save me from myself

without your help, what would I do

Fill me up with your grace

show me your face

I need you, My only Savior

Never let me go, dear Father

Never let me go

I will stay You forever,

Never let me go

(chorus)
