One by one  
We climb the mountain of ambition  
One by one  
And we bow at the altar of tradition  
One by one

Somebody tell me what are we building?

You know the house of cards will tumble  
Temporary by design  
And all the schemes of man will crumble  
Are we wasting precious time?  
Are we wasting precious time?

Stone by stone  
We build a Kingdom to perfection  
Stone by stone  
And we search for our safety and protection  
In a home

Somebody tell me what are we thinking?

You know the house of cards will tumble  
Temporary by design  
And all the schemes of man will crumble  
Are we wasting precious time?

When there is only one Kingdom  
One place to hide  
Only one Kingdom  
Come and find a place inside  
Come and find a place inside  
Come and find a place inside

Because a house of cards will tumble  
Temporary by design  
And all the schemes of man will crumble  
Are we wasting precious time?  
Are we wasting precious time?  
Are we wasting precious time?  
Are we wasting precious time?
