I said I belonged to You  
But in a secret room, I kept a secret list  
I said, "Anything for You"  
"Anything but this, anything but this"

You knew it all along  
You knew it very well  
You knew the sturdy walls I hid behind  
Were nothing but a prison cell

I am not afraid anymore  
You have opened all the windows  
Opened all the doors

I am not afraid anymore  
I feel the wind of freedom  
Like I never did before

The light is filling up the corners  
Dancing on the floor  
I am not afraid anymore

You have always been the same  
I ran away from You, I ran away from You  
Every time You called my name  
I tried to hide the truth, I tried to hide the truth

You knew it all along  
You knew it very well  
You knew the more I covered up my heart  
The more I didn't know myself

I am not afraid anymore  
You have opened all the windows  
Opened all the doors

I am not afraid anymore  
I feel the wind of freedom  
Like I never did before

The light is filling up the corners  
Dancing on the floor

I am not afraid anymore

No room for fear  
No room, no room  
No room for fear  
Perfect love is living here

I am not afraid anymore  
You have opened all the windows  
Opened all the doors

I am not afraid anymore  
I feel the wind of freedom  
Like I never did before

The light is filling up the corners  
Dancing on the floor  
I am not afraid anymore

I am not afraid anymore  
I am not afraid anymore
