Twila Paris

There is an ocean surrounding me

Mostly the water is calm

Just enough breeze to keep me sailing

I feel safe and warm

Angry winds blow suddenly

And i become a churning sea

Then i hear the Master's voice--he says to me

Chorus

Peace be still, Peace be still

Peace be still and the wind and the waves

Peace be still, Peace be still

Peace be still and the ocean obeys

There is an ocean inside of me

Mostly the water is calm

Just enough breeze to keep me sailing

I feel safe and warm

Angry winds blow suddenly

I become a churning sea

Then I hear a quiet voice--He says to me

Repeat Chorus

Angry winds blow suddenly

I become a churning sea

Then I hear a quiet voice--He says to me

Repeat Chorus
