RUNNER

Courier valiant, bearing the flame
Messenger noble, sent in His name
Faster and harder, run through the night
Desperate relay, carry the light
Carry the light
Runner when the road is long
Feel like giving in but you're hanging on
Oh runner, when the race is won
You will run into his arms
Obstacle ancient, chilling the way
Enemy wakened, stoking the fray
Still be determined, fearless and true
Lift high the standard, carry it through
Carry it through
Mindful of many waiting to run
Destined to finish what youve begun
Millions before you cheering you on
Godspeed dear runner, carry it home
Carry it home
