Lately, I've been winning battles left and right
But even winners can get wounded in the fight
People say that I'm amazing strong beyond my years
But they don't see inside of me, I'm hiding all the tears

They don't know that I go running home when I fall
down
They don't know who picks me up when no one is
around
I drop my sword and cry for just a while
'Cause deep inside this armor the warrior is a child

Unafraid because His armor is the best
But even soldiers need a quiet place to rest
People say that I'm amazing never face retreat
But they don't see the enemies that lay me at His feet

They don't know that I go running home when I fall
down
They don't know who picks me up when no one is
around
I drop my sword and and cry for just a while
'Cause deep inside this armor the warrior is a child

They don't know that I go running home when I fall
down
They don't know who picks me up when no one is
around
I drop my sword and look up for a smile
'Cause deep inside this armor, deep inside this armor
Deep inside this armor the warrior is a child

Warrior is a child
