Search my heart, make me clean  
It's your approval I long for  
Rule my life, be my king  
Do what you will I belong to you

Search my heart, make me clean  
It's your approval I long for  
Rule my life, be my king  
Do what you will I belong to you

I will find my hope in you  
Trusting in no man  
Leaning not to earthly wisdom  
Things I understand

Hide my heart away  
Fill me with your mind  
Let the world forsake me  
I will find my hope in you

I will find my hope in you  
Trusting in no man  
Leaning not to earthly wisdom  
Things I understand

Hide my heart away  
Fill me with your mind  
Let the world forsake me  
I will find my hope in you

Hide my heart away  
Fill me with your mind  
Let the world forsake me  
I will find my hope in you

Lord of my heart, Lord of my heart  
I offer praise from the shadow of your throne  
Lord of my heart, Lord of my heart  
One song I raise in your presence, you alone are Lord

Lord of my life, Lord of my life  
I offer praise from the shadow of your throne

Lord of my life, Lord of my life  
One song I raise in your presence, you alone are Lord

Lord of the earth, Lord of the earth  
We offer praise from the shadow of your throne  
Lord of of the earth, Lord of of the earth  
One song we raise in your presence, you alone are  
Lord
