"As Time Goes By"

You must remember this, a kiss is just a kiss

A sigh is just a sigh

The fundamental things apply, as time goes by

And when two lovers woo, they still say "I love you"

On that you can rely

No matter what the future brings, as time goes by

|: Moonlight and love songs, never out of date

Hearts full of passion, jealousy and hate

Woman needs man, and man must have his mate

There's no one can deny

It's still the same old story, a fight for love and glory

A case of do or die

The world will always welcome lovers, as time goes by
