My own true love, my own true love  
At last I found you, my own true love  
No lips but yours, no arms but yours  
We'll live eternally through heaven's door

I roam the earth in search of this  
I knew I'd know you, know you  
By your kiss, by your kiss  
You've showed true love  
I'm yours forever, my own true love  
I roam the earth in search of this  
I knew I'd know you, know you  
By your kiss, by your kiss  
You've showed true love  
I'm yours forever, my own true love
