(Luiz Bonfãi/Wouter De Backer) - reprise de Gotye & Kimbra

Now and then, I think of when we were together  
Like when you said you felt so happy you could die.  
Told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember.

You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end.  
So when we found that we could not make sense  
Well, you said that we would still be friends  
But I'll admit that I was glad that it was over.

But you didn't have to cut me off  
Make out like it never happened and that we were  
nothing.  
And I don't even need your love  
But you treat me like a stranger and that feels so  
rough.  
No, you didn't have to stoop so low  
Have your friends collect your records and then  
change your number.  
I guess that I don't need that though  
Now, you're just somebody that I used to know.  
Now, you're just somebody that I used to know.  
Now, you're just somebody that I used to know.

Now and then, I think of all the times you screwed me  
over  
But had me believing it was always something that I'd  
done.  
And I don't wanna live that way, reading into every  
word you say.  
You said that you could let it go and I wouldn't catch  
you hung up  
On somebody that you used to know...

But you didn't have to cut me off  
Make out like it never happened and that we were

nothing.  
And I don't even need your love  
But you treat me like a stranger and that feels so  
rough.  
You didn't have to stoop so low  
Have your friends collect your records and then  
change your number.  
I guess that I don't need that though  
Now, you're just somebody that I used to know.  
Somebody I used to know.  
Now, you're just somebody that I used to know.  
Somebody I used to know.  
Now, you're just somebody that I used to know.  
I used to know, now, you're just somebody that I used  
to know.  
I used to know somebody.
