(Lizzy Grant/Justin Parker) - reprise de Lana Del Rey

Swinging in the backyard, pull up in your fast car,
whistling my name.
Open up a beer and take it over here, play a video
game.
In your favorite sun dress
Watching me get undressed, take that body downtown.
I say you the bestest, lean in for a big kiss
Put his favorite perfume on... Go play a video game...

It's you, it's you, it's all for you, everything I do.
I tell you all the time ! Heaven is a place on earth with
you.
Tell me all the things you want to do.
I heard that you like the bad boys, honey, is that true?
It's better than I ever even knew.
They said that the world was built for two.
Only worth living is somebody is loving you, baby, now
you do...

Singing in the old bars, swinging with the old stars,
living for the fame.
Kissing in the blue dark, playing pool and wild darts,
video games.
She holds me in her big arms
Drunk and I am seeing stars, this is all I think of.
Watching all our friends fall in and out of Old Paul's.
This is my idea of fun, playing video games...

It's you, it's you, it's all for you, everything I do, do !
I tell you all the time ! Heaven is a place on earth with
you.
Tell me all the things you want to do.
I heard that you like the bad boys, honey, is that true?
It's better than I ever even knew.
They said that the world was built for two.
Only worth living is somebody is loving you, baby, now
you do...

It's you, it's you, it's all for you, everything I do, do !

I tell you all the time ! Heaven is a place on earth with
you.
Tell me all the things you want to do.
I heard that you like the bad boys, honey, is that true?
Baby, now you do...
