i can't get enough of you baby  
i can't get enough of you baby  
yes it's true  
baby yes it's true  
whenever we kiss i get to feelin' like this  
i get to wishin' that there were two of you  
my heart cries out "more baby!"  
it feels so nice  
i want your arms to wrap around me twice  
i can't get enough of you baby  
i can't get enough of you baby  
right or wrong  
baby right or wrong  
when you had to go i hated the thought  
i only wished the night was twice as long  
my heart cries out, "more baby!"  
i love you so much  
i wish that there was more of you to touch  
i can't get enough of you baby  
i can't get enough of you baby  
whenever we kiss i get to feelin' like this  
i get to wishin' that there were two  
of you my heart cries out, "more baby" i love you so  
much  
i wish that there was more of you to touch  
i can't get enough of you baby  
i can't get enough of you baby  
i can't get enough of you baby  
i can't get enough of you baby  
i can't get enough of you baby
