"Keep It Down"

Back in the day everything seemed to be OK

But OK is just OK

And just alright makes you think

What could be on the other side

Runnin' with the big dogs

Left those puppies on the porch

Scratchin' fleas is the least in the real world

If I knew then what I know now

Just alright would be OK somehow

Shhhhh

Keep it down now

Could you keep it down

Had it made had it played itself out

In a sit-com style

So the landlord has his key in my door

I'll have amnesia for a while

I've seen ridiculous sunsets in a sickening sky

It made me feel really ill in a beautiful way

I've seen perfect people and I shield my eyes

I don't deserve to see their shame

Shhhhh

Keep it down now

Just keep it down

I can't hear myself think

Who needs to think

[AWESOME ELECTRONICA TRACK]

I know I know I know.....

[AWESOME ELECTRONICA TRACK]

Shhhhh
