Paintings of dogs playing pool

Smokin' cigarattes they drink 'til they drool

Well we ain't so dumb, just numb

And tomorrow's another year

Could you tell us what happened 'cause we weren't
here

We've been hitchin' a ride with a big fake rubber thumb

[CHORUS]

And you're a star now, blinkin' bright

And you drive so fast now, out of sight

The ticker tape wants us to fail

And the limousine just drives us to jail

And the concierge can't tell us where the ladies dance

But you are my friend in miles

Radio waves, stations, and dials, and smiles

Cities and towns, slow down

[CHORUS]

And you're a star now, blinkin' bright

And you drive so fast now, out of sight

Out of sight

Out of sight

[INSTRUMENTAL (haunting)]

[CHORUS]

And you're a star now, blinkin' bright

And you drive so fast now, out of sight

Out of sight

Out of sight

Out of sight
