I wanna try your shoes on,

And wear 'em for a day.

Learn to walk like you do,

And see what I see.

I talked like I knew something that everyone wanted to hear.

But you're the fonz

(you're the fonz)

But you're the fonz

(you're the fonz)

The defenition of icy,

The measure a sap.

You could play the tuba,

and everyone would clap.

Well, I could play the tuba, and they'd all just shake their heads.

'Cos you're the fonz

(you're the fonz)

'Cos you're the fonz

(you're the fonz)

'Cos you're the fonz

(you're the fonz)

'Cos you're the fonz

(you're the fonz)

I know it's over for me

I know it's over for me

I know it's over for me

I know over

I drove my car to the top floor,

Ans stood at the edge.

When I woke up in heaven,

Looked down and no-one cared.

But when you pulled your own trigger they all gathered  
round to watch.

'Cos you're the fonz

(you're the fonz)

'Cos you're the fonz

(you're the fonz)

'Cos you're the fonz

(you're the fonz)

'Cos you're the fonz

(you're the fonz) Because

You are the fonz

(you're the fonz) Because

You are the fonz

(you're the fonz) Because

You are the fonz

(you're the fonz) Because

You are the fonz

(you're the fonz) Because

You are
