Paint the town

Take a bow

Thank everybody

You're gonna do it again

Are are the few, the proud

You are the antibody

Mind soul, and zen

And the world's a stage

And the world's a faze

And the end is near

So push rewind

Just in time

Thank anybody

You're gonna do it again

The way the you walk

It's just the way that you talk

Like it ain't no thing

And every single day is just a fling

Then the morning come

Take your knocks

Shake them off

Duck everybody
You're gonna take them again
You are you foe
Your friend
You are the paparazzi
You are the tragedian
And the world's a craze
And the world's a faze
And the end is near
So push rewind
Just in time
Thank anybody
You're gonna do it again
The way the you walk
It's just the way that you talk
Like it ain't no thing
And every single day is just a fling
And when it comes it moves so slow
Kinda like it's saying I told you so
Looking back before she goes
Tomorrow's gonna hurt
And the world's a stage
And the world's faze
And the end is near
So push rewind

Just in time

Thank anybody

It's just the way that you walk

It's just the way that you talk

Like it ain't no thing

And every single day is just a fling

Then the morning comes
