So this is the end?
You and I are gonna have to find some way,
to get back to the way things were supposed to be.
Losing faith I almost let go.
Asked myself can I win this one?
I don't know.
So this is the good-bye.
But I don't believe this is the end.
Good effort, nice try.
Oh god those words again.
Passing me by.
Can I sit this one out?
Questions I don't have the answers to.
Who the fuck knows what's going on with me and you.
All the shit we keep putting each other through.
Should I let go?
So this is the good-bye.
But I don't believe this is the end.
Good effort, nice try.
Oh god those words again.
Passing me by.
Learn to let go.
Give in but no.
I can't decide.
Learn to let go.
Give in but no.
I can't decide.
So this is the good-bye.
But I don't believe this is the end.
Good effort, nice try.
Oh god those words again.
Passing me by.
passing me by.
