You're wrong! Just like I told you before.  
I'm right! Once again I'll show you the door.  
Shut up! 'Cause all you're doing is wasting time.

Get lost! 'Cause I hate people like you.  
All talk! But I know you don't have a clue.  
Fuck off! 'Cause all you're doing is wasting time.  
Wasting time again.  
As far as you're concerned I'm dead to the world.

I'm tuning you out. No thinking allowed.  
You shouldn't be making a sound.  
It's too early for these games.  
You're talking to me, I'm missing the beat.  
You should be taking a seat.  
It's too early for these games.
