When I hear it everyday
It don't mean anything
Nothing positive to say

But you dont know me
You don't know me
The days that we met you had me all figured out, Yeah!
But you cant see me
You cant see me
You wouldnt know I feel this way right now

When i hear it everyday, it dont mean shit to me
Nothing positive to say
You dont know me!
You dont know me!
Look at you know how could you say those words
Yeah!

But you cant see me
You cant see me
Yeah you can't see me
Would you look in my eyes,
Yeah! Who looks stupid now!

Who can I?
Who can I turn to?
Who can I?
Who can I turn to?
Who can I?
Who can I go to?
Who can I?
Who can I turn to?
Ohhh

Who caaaaaan I?
