Pain

A word I thought I knew

It's OK

Cuz the price that we pay

Makes it harder to begin

Cuz I said, knowing

That I'll sink where I stand

Peeling back the pages again

All in all this chapter's not bad

It's a book I'm glad I read

Something grabs hold of me

Something doesn't let me sleep

Something is going on in my mind

Feels like I'm running out of time

A blurry thought could depend on us

But the time was always

The friend that never called me back

Cuz he says, knowing

That I'll sink where I stand

Peeling back the pages again

All in all, this chapter's not bad

It's a book I'm glad I read

Something grabs hold of me

Something doesn't let me sleep

Something is going on in my mind

Feels like I'm running out of

Something grabs hold of me

Something doesn't let me sleep

Something is going on in my mind

Feels like I'm running out of

Time tells me where to be and when to go

But none of the clocks can show

What I've been through

Or the things I've said

Cuz it's something, grabs hold of me
Something doesn't let me sleep
Something is going on in my mind
Feels like I'm running out of

Something grabs hold of me
Something doesn't let me sleep
Something is going on in my mind
Feels like I'm running out of time

Something is going on in my mind
Feels like I'm running out of time
