Iv'e got that feeling
Like someone standing behind me
Maybe it's nothing
But maybe its everything

I can't help this feeling I've got
Maybe it's nothing
But maybe it's not
I think I'll just stay inside today

There's no time to lose
And no time to spare
Sitting next to you
Pretending you were here

I've got that feeling
Like someone standing behind me
Ooh yeah
I thought it might of been you

I can't even look at your face
And see our friendship
What a fucking waste
I hope your happy

There's no time to lose
And no time to spare
Sitting next to you
Pretending you were here
