As long as you're around, I can't think straight.
And as long as you're around, we're blessed.
And if you don't make a sound, we'll steal your heart
away.
And if you don't make a sound, we're blessed.

As far as I can see, you're harmless.
As far as I can see, you're thorned.
And if you stand real close to me, you can hear the
voices in my head,
Telling me you're not the problem, it's me.

Help me to understand how you got in my life again.
I let you go for reasons I didn't know,
And you're back. So glad you're here. So glad you're
here.

I don't know where you came from,
And I don't know where you'll go.
But if you promise not to stay, I'll even pack your bags
today.
Now leave, so long, bye bye, farewell.

Help me to understand how you got in my life again.
I let you go for reasons I didn't know,
And you're back. So glad you're here. So glad you're
here.

One-way ticket, one-way ticket, one-way ticket, one-way
ticket,
One-way ticket, one-way ticket, one-way ticket, one-way
ticket.
