Train station
Knows every word you said
Vacation
From all those games we played

I turn away
Long Island's calling me
I lost it all
My clothes smell like the city
Leave me for dead
The train will get me home
Drag me away
I dont know wots good for me
I dont know wots good for me

Every bone
In my body breaks for you
Believe me
Cos by now I can barely move

I turn away
Long Island's calling me
I lost it all
My clothes smell like the city
Leave me for dead
The train will get me home
Drag me away
I dont know wots good for me

I turn away
Long Islands calling me
I lost it all
My clothes smell like the city
Leave me for dead
The train will get me home
Drag me away
Drag me away
