You feel let down, you feel let down,
I can see the things that matter to me
Are falling fast and breathing hard from neglect and
the fear that I might not come back

Scary; that I might not be who I'm supposed to be
Monster; its always been you hating me

I feel let down, I feel let down,
What I saw in you, my eyse deceived me
I'm choking on the ashes of my soul or what's left
you sure did the trick
Well planned attack and brillian disguise

Scary; that you might not be who you're supposed to be
Monster; It's always been you hating me

Well planned attack, brillian disguise,
but I want it back
Surrendered felonies and sincere eyes
Scary; that we might not be who we're supposed to be
Monster; It's always been you hating me
