Leave your fucking friend and the Smithtown Mall  
where she belongs,  
'Cause now she's got the same tattoo as you and  
learning all your songs.  
She tries to be like you and everyone can see,  
I don't wanna see her when I'm on that fucking stage,  
keep her away.

'Cause she steals everything, and you're too blind to  
see,  
If she takes everything, what's left for me?

Can't compete. Got you beat.  
Can't compete, got you beat, she's my queen, she's my  
everything.  
Can't compete, got you beat, she's my everything.

'Cause she steals everything, you're too blind to see,  
If she takes everything, if she takes everything, what's  
left for me?

Leave your fucking friend and the Smithtown Mall  
where she belongs,  
'Cause now she's got the same tattoo as you and  
learning all your songs.  
She tries to be like you and everyone can see, (she's a  
fake!)  
I don't wanna see her when I'm on that fucking stage,  
keep her away.

'Cause she steals everything, and you're too blind to  
see,  
If she takes everything, what's left for me?

Can't compete. Got you beat.  
Can't compete, got you beat, she's my queen, she's my  
everything.  
Can't compete, got you beat, she's my everything.

'Cause she steals everything, you're too blind to see,  
If she takes everything, if she takes everything, what's

left for me?
