(Dave)

My sister Sue and me were doing stunts with electric
trains

She said she'd do my dishes, so I handed her the reins

(rest)

handed her the reins

(Dave)

And she engineered a collision steered by a hand-eye
protege

Before my train set started burning I heard my sister
say

(All)

Look straight at the coming disaster

Realize what you've lost

You keep handing out horseshoes

Horseshoes have gotta be tossed.

(Murray)

I dreamed I went to heaven 'cause I told my lover lies

When I woke up I went to her and looked her in the eyes

(rest)

looked her in the eyes

(Murray)

I said
