(Jian on lead)
He can't stand a loss
He's always cross
His name is Ross... my [boss]
I love my boss

I love my boss
He isn't full of fluff and gloss
He gives me work and many chores to do
My model, like Ben Cartwright to Hoss

And though he pays me minimum wage
It's all I deserve at this stage
Some union hack said I should ask for more
I answered with suitable rage

I love my boss
I love my boss
I love my boss
I love my boss

One day I came to work too late
I'd had a Fravous luncheon date
My boss he summoned me to speak with him
I sweated, awaiting my fate
He said
