(guitar intro)

(Mike on lead, speaking through distortion)

Kids in their PJs

Big bowl of nachos

Another perfect day in Rhodedendron Park.

The sun is shining

Now dad's reclining

Roll down the blinds to watch a movie in the dark.

(Mike speaking w himself distorted)

Some buxom ladies

A lamborghini

Shadowy motives in a shadowy land.

Some idle chatter

then Splatter splatter

Cue soundtrack music from the up-and-coming band.

(Mike) (Jian w others)

This is the best I've ever seen. This is...just a movie.

She's just a teen...

I want to see it

(All)

Again and again and again.

(Mike speaking)

She's babysitting and doing homework.

A sudden phone call from the senior quarterback.

She loves attention, she craves attention

He's got a present for her from her daddy's shack

(Mike speaking w himself distorted)

She getting cozy

The window rattles

A few allusions to last summer's episode.

The windows shatter

then Splatter splatter

What could be more perfect than to see her head
explode?

(Mike) (Jian w others)

This is the best This is...just a movie
I've ever seen She's just a teen

(Mike)

I want to see it

(All)

Again and again and again

(Guitar solo)

(Jian
