light snickering

Where we wanna go?

R-E-N-O

RENO!

Why don't we all hop in the van?

'Cause I got a kick-ass planny-plan

It's not too close, but it's not too far

It's the biggest little city in our hearts

It's RENO!

RENO!

RENO!

We'll exit Wells, we'll enter Heaven

Raise some hell down in the spacement

They're a gift we have been given

Reno goes up to eleven!

Ahh-ah-ahhh-ah-ahhhhhh-ahhhh-ahhhh

I miss Proxy, I miss Ibbby

I miss pancakes and I miss cookies

whisper

There's cruddy bands here, I'm guaranteed

normal

But if there is they we ain't seen

We've seen Dog Assassin, Bafabegiya Spotlight
Syndicate,

Arabella Iron Lung, I love Pink Black

I sprained my finger pointing at Crucial Attack

Attack!

Attack!

Thanks to all those who's names start with J

Like, like Josh and Justin and Jamie and Jeanie and Joey
and Luther

Thanks!

Ah-uh, thank you trust(?), thanks everyone we know-

whoa-whoa

You know what Reno? Out of all places in the world
called Reno, you are, by far,
the ONLY ONE!

Because of that, no where else we'd rather go-whoa-
whoa...

And R-E-N-O

RENO!

Dude, Reno.
