Guess what, I've got a secret, the rumors true
Maybe I'm crazy, but I've got a crazy crush on you

Guess what, I've got a secret, the rumors true
Maybe I'm crazy, but I've got a crazy crush on you

I've got a crazy crush on
It's been a secret for too long
I've got a crazy crush on you
I've got a crazy crush on
You can pass the secret along
I've got a crazy crush on you

Guess what, keep it a secret, I'm talking to you
It's not my fault if I, I've got a crazy crush on you
I've got a secret, the rumors true
Girl you can keep it, I'm talking to you
Why you run away? I just want to play
Girl I got a crush, on you

I've got a crazy crush on
It's been a secret for too long
I've got a crazy crush on you
I've got a crazy crush on
You can pass the secret along
I've got a crazy crush on you

Baby baby, I wanna get next to you
And baby baby, I hope you want to get next to me, too
Three, four, five, they come in numbers I've
Seen all those other guys, they just wear a disguise
So I think, maybe I'm crazy but I've got a crazy crush on
you

I've got a crazy crush on
It's been a secret for too long
I've got a crazy crush on you
I've got a crazy crush on
You can pass the secret along
I've got a crazy crush on you
