Downtown, uptown, we're the kids from all around
We're raised on Skid Row, under the city's sound
And we've got big dreams, they're tearing at the seams
So, hey, you, Dreamkiller, we're stronger than we seem

Dreamkiller, please go, give us back the radio
Us kids here on skid row, are going to be OK fo sho
Dreamkiller, please go, we're taking back the stereo
Us kids here on skid row, are going to be OK fo sho

[We're gonna be OK]

Audio, Video, you even got the TV show
You try to take our dreams, and kill them before they can go
But guess who's winning now, the kids raised on the city's sound
And our dreams are coming true and growing on the underground

Dreamkiller, please go, give us back the radio
Us kids here on skid row, are going to be OK fo sho
Dreamkiller, please go, we're taking back the stereo
Us kids here on skid row, are going to be OK fo sho

[We're gonna be OK]

From the UK to HK all the way back to the bay
The Millionaire Mile is pacing the aisles
Of our heads and our hearts
And picking apart the parts
Of our hopes and our dreams
For their million dollar schemes
Well we've got million dollar dreams
And million dollar plans and
When the dollars don't matter, we've got a million hands
Hands from uptown, downtown, chinatown, and all around
Our dreams are growing on the underground

Dreamkiller, please go, give us back the radio
Us kids here on skid row, are going to be OK fo sho
Dreamkiller, please go, we're taking back the stereo
Us kids here on skid row, are going to be OK fo sho

Dreamkiller, please go, give us back the radio
Us kids here on skid row, are going to be OK fo sho
Dreamkiller, please go, we're taking back the stereo
Us kids here on skid row, are going to be OK fo sho
