You'll see the love once in my eyes
And wonder how it could disappear

Wo, oh, oh, oh
I hope these words are hard to swallow
Wo, oh, oh, oh
I hope you choke and die

Wo, oh, oh, oh
I hope these words are hard to swallow
Wo, oh, oh, oh
I hope you choke and die

Its flames were smothered by your lies
And drowned by all your tears

Its flames were smothered by your lies
And drowned by all your tears

Wo, oh, oh, oh
I hope these words are hard to swallow
How many rhymes do I have to spit until you choke and die

Wo, oh, oh, oh
I hope you choke and die
You're choking so hard on these rhymes, that you start to cry

Wo, oh, oh, oh
I hope these words are hard to swallow
When you're choking does it hurt you when you swallow
it way down into your gut you're going to die so don't
you even try

Wo, oh, oh, oh
I hope you choke and die
Wo, oh, oh, check the flow, I hope you choke and die

Swallow!
Die!

Swallow!
Die!

Wo, oh, oh, oh
I hope you choke and die
