And she was looking at his ass
And she could hear his heavy breathing
And she wished to see Mr. Happy
And please be sure that she was creaming
See the whites of her underwear
Now he's starting to rise
Remove all that complicates
As she opens up her thighs
And she was moving, she was right there with it (and she was)
Her hands were moving, they were both excited (and she was)
And she was digging through his pants
And she was taking off her dress
And she was moving very quickly
Rising up out of his pants
Moving into her firm grasp
Pulling this way and that
Not making a mess at all
In the back seat of his car
And she was moving, she was right there with it (and she was)
Her hands were moving, they were both excited (and she was)
She was glad about it, no doubt about it
She's very sure about what she's done
It's time to think about what to tell them
About how they went to market street
And ate fish
And she was playing with the monster
And things were looking like a porno
She had a pleasant sensation
She's making all those evil noises...Oh, Oh, OH!
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, OH!
And she was moving, she was right there with it (and she was)
Her hands were moving, they were both excited (and she was)
Leaving the world of virgin persons (and she was)
Feeling enough to get off right (and she was)
