What do you see my love,
Staring at me that way?
Your tears could fill up this room,
I'd still have nothing to say
You are my prisoner
?
Pulling out your hair won't settle it,
but who ever said that life was fair?

I won't give you the luxury
of taking away all your love from me.
Lockin' the door, throw away the key
Misery loves company

You claim that you don't know
the cause of your situation.
Did you think I would forget
the years of our frustration?
I think this punishment is due to fit the crime.
I am your judge and your sentence
will last until the end of time.
Seems like your time had been ..?

I won't give you the luxury
of taking away all your love from me
Lockin' the door, throw away the key
Misery loves company

I won't give you the luxury
of taking away all your love from me
Lockin' the door, throw away the key
Misery loves company

Lockin' the door
Misery loves company
Misery loves company
Misery loves company
Misery loves company
