Runaway  
Runaway

Wait, wait and see  
Well I've been waiting my whole life baby  
For what's coming to me

Darlin' can't you see  
That if you want my love then claim it  
Or else let me be

I need you too much (baby)  
I was no match for you  
So I gotta run, run, runaway  
(Runaway)  
Can't take another lonely day  
(Runaway)  
Can't make it any other way  
(Runaway)  
You don't want me anymore  
(Runaway)  
Watch me walk right out the door

Hold on you said and you knew I would  
You only talk like that you knew you could  
Turn me all around can't tell up from down  
You hide your heart from me never to be found

I need you too much (baby)  
I was no match for you  
So I gotta run, run, runaway  
(Runaway)  
Can't take another lonely day  
(Runaway)  
Can't make it any other way  
(Runaway)  
You don't want me anymore  
(Runaway)  
Watch me walk right out the door

(Runaway)

Can't take another lonely day  
(Runaway)  
Can't make it any other way  
(Runaway)  
You don't want me anymore  
(Runaway)  
Watch me walk right out the door
