Build it up  
tear it down  
there is nothing left to say

Should we go?  
should we wait?  
no one wants to waste away

Let me in  
get me out  
either way it has to be

We can't stay  
to fade away  
the end is not a means for me

Is it over  
maybe where already there?  
Take it over  
maybe were already dead?

I won't look inside no more  
I wont wait for comfort signs  
I wont listen for the call  
I know the answer is too clear

Honest fears  
honest doubts  
but nothing ever changes

Its nice to talk  
nice to smile  
that will be the end of us

Is it over  
maybe where already there?  
Take it over  
maybe were already dead?

I won't look inside no more  
I wont wait for comfort signs

I wont listen for the call  
I know the answer is too clear
