You thought it was gone  
But the fire goes on  
And i thought you knew me  
I told you before  
'til i settle the score  
That i'll never run free  
I have enough pain and anger in my brain  
To last many lifetimes  
Yet still it grows, and the more that it shows  
I won't have peace of mind

The fire, the fire still burns  
The fire, the fire still burns

I have a dream  
And as strange as it seems  
There's no embers glowing  
The fire's gone out and there's no need to shout  
'cause no anger's showing  
But it's not true, nothing i ever do  
Seems to ease my fury  
Get out of my way  
I'm the hangman today  
And the judge and jury

The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns

Fire, fire, still burns  
Fire, fire, still burns  
Fire, fire, still burns  
Fire, fire, still burns  
Fire, fire, still burns  
Fire, fire, still burns  
The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns

The fire, the fire still burns
