[Howie Kay/Sidney Nathan/Tiny Bradshaw]

Well, on a train, I met a dame
She's kinda handsome, but kinda looked the same
She were pretty, from New York City
I'm walkin' down that old fair lane
I'm in heat, I'm in love
And I just couldn't tell her so

I said that train kept a-rollin' all night long
A train kept a-rollin' all night long
A train kept a-rollin' all night long
A train kept a-rollin' all night long
With a "heave!" and a "ho!"
And I just couldn't tell her so, ow

[Solo - Eddie]

Well, get along, sweet little woman
Get along, on your way
Get along, sweet little woman
Get along, on your way
I'm in heat, I'm in love
And I just couldn't tell her so, no no no

[Solo - Eddie]

Alright, babies
We got a place for rockin' tonight
We're gonna keep on rockin'
'Cause this train's goin' a cocaine land, honey

Well, on a train, I met a dame
She's kinda handsome, but kinda looked the same
She were pretty, from New York City
I'm walkin' down that old fair lane
I'm in heat, I'm in love
I just couldn't tell her so, come on

Train kept a-rollin' all night long
A train kept a-rollin' all night long

A train kept a-rollin' all night long
A train kept a-rollin' all night long
With a "heave!" and a "ho!"
I just couldn't tell her so, ow

[Solo - Eddie]

Well, get along, sweet little woman
Get along, on your way
Get along, sweet little woman
Get along, on your way
I'm in heat, I'm in love
I just couldn't tell her so, no no no

[Solo - Eddie]

I made a stop in Albuquerque
He musta thought I was a real cool jerk
Gettin' on the train, lookin' handsome
You look so good, Jack, I couldn't letcha go
Ooh, oh, just couldn't tell her so

I said that train kept a-rollin' all night long
A train kept a-rollin' all night long
A train kept a-rollin' all night long
With a "heave!", I'm in love
I just couldn't tell her, oh you know
