Can't seem to show you  
How much i care  
Can't seem to prove it  
You're so unaware  
How much i need you  
I try to show  
I'm always with you  
And i love you so  
Believe me when i try to say  
I'll never, never go away  
Oh, can't you see

You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
Baby you have me

The lonely hours  
Of unspoken pain  
Seems like a lifetime  
Of endless rain  
In my confusion  
I never find  
The words to tell you  
That your in my mind  
So, let me try to find a way  
To do the things i want to say  
Oh, can't you see

You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
Baby you have me

My dream, my heart, my hope, my way  
We'll stand together all our days  
Oh, stay with me

You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone

You're not alone  
No babe, no you're not alone  
You're not alone  
Oh, please believe me you  
You're not alone  
Well i say it again, you're not alone  
You're not alone  
No, no, no, no  
You're not alone  
You're not alone  
You're not alone  
I need you now  
You're not alone  
Oh, please  
You now  
You're not alone  
Ahhhhhhh  
You're not alone
