We'll be celebrating, dancing until dawn,
Come on dry your tears now, put your dark glasses on,
Tonight in Babylon

Gonna be a revolution, a change is gonna come,
Gonna be a new beginning, gonna shine on everyone
Tonight in Babylon, tonight in Babylon
Tonight in Babylon, tonight in Babylon

Everybody feels alright
Everybody feels alright
Tonight in Babylon

Maybe we should go out dancing, put the red light on,
Everybody knows it's over, we knew it all along,
Tonight in Babylon, tonight in Babylon
Tonight in Babylon, tonight in Babylon

Everybody feels alright
Everybody feels alright
Tonight in Babylon

Maybe we should go out dancing, put the red light on,
Everybody knows it's over, we knew it all along,
Tonight in Babylon, tonight in Babylon
Tonight in Babylon, tonight in Babylon

Everybody feels alright
Everybody feels alright
Tonight in Babylon

Tonight in Babylon!

Everybody feels alright
Everybody feels alright
Tonight in Babylon
Tonight in Babylon
Tonight in Babylon

Everybody feels alright
