Do you believe in magic, in a young girl's heart?  
How the music can free her, whenever it starts  
And it's magic, if the music is groovy  
It makes you feel happy like an old-time movie  
I'll tell you about the magic and it'll free your soul  
But it's like tryin' to tell a stranger 'bout rock and roll  
If you believe in magic, don't bother to choose  
If it's jug band music or rhythm and blues  
Just go and listen, it'll start with a smile  
It won't wipe off your face, no matter how hard you try  
Your feet start tapping and you can't seem to find  
How you got there, so just blow your mind  
If you believe in magic, come along with me  
We'll dance until mornin' 'til there's just you and me  
And maybe, if the music is right  
I'll meet you tomorrow, sort of late at night  
And we'll go dancing, baby, then you'll see  
How the magic's in the music and the music's in me  
Yeah, do you believe in magic?  
Yeah, believe in the magic of a young girl's soul  
Believe in the magic of rock and roll

Believe in the magic that can set you free

Oh, talkin' 'bout magic

(Do you believe like I believe?)

Do you believe in magic?

(Do you believe like I believe?)

Do you believe, believer?

(Do you believe like I believe?)

Do you believe in magic?

(Do you believe like I believe?)
