Intro:

Verse 1:

She's one of those girls who seems to come in the
Spring
One look in her eyes and you forget everything
You had ready to say
And I saw her today, yeah...

Chorus:

A younger girl keeps a-rollin' 'cross my mind
No matter how much I try, I can't seem to leave her
memory behind
I remember her eyes, soft dark and brown
Said she'd never been in trouble, or even in town
A younger girl keeps a-rollin' 'cross my mind

[repeat lines 2-5 of chorus, w/guitar solo replacing
lines 3-4]

Verse 2:

And should I hang around, acting like her brother
In a few more years, they'd call us right for each other
And why
If I wait I'll just die, yeah...

[repeat chorus]

[repeat verse 1; fade]
